SOLANO PROBATION PEACE OFFICER ASSOCIATION

Greetings SPPOA,

Below are the highlights for this month:

I would like everyone to refer to our MOU with the County of Solano, page 69, Section 24, Contracting Out, as contracting out probation department duties has become more frequent.

" Prior to contracting out work which is customarily and routinely performed by employees in classifications covered by this Memorandum of Understanding, the County agrees to provide at least sixty (60) calendar days prior notice to the Association and to meet and confer on the impact of the contracting out. "

As juvenile group counselors and probation officers, we wear many hats and tackle a wide-range of duties to handle the ever-evolving California criminal justice arena. We as union brothers and sisters need to actively protect our identity.

The September 4th, 2019 SPPOA board meeting will be cancelled due to the CPC Completion Ceremony happening that night. This meeting will be re-scheduled later in the month. More information to come.

The negotiation team met last Saturday, 8-17-19, in preparation of the next bargaining meeting with the County on 8-21-19. On WEDNESDAY, 8-28-19, the team would like to give an informational meeting to the entire membership on the status of the bargaining. The team will be at the Fairfield Main Office in the "Fairfield Room" on the first floor from 12pm-1pm. The team will then be at JDF in the " Cedar Pod" from 2:30pm-3:30pm.

More communication and updates of SPPOA matters are being added on to our website...

Please check it out!!! Like...Right now...If you can :)

Thank you everyone for all you do! -Joe Martinez. Member Focused
