## SOLANO PROBATION PEACE OFFICER ASSOCIATION

Greetings SPPOA ,

Before we enter into Fall of 2020, checkout our Summer highlights:

\*As safety is a top priority for SPPOA, our union and management recently agreed blue lights can be used on our department vehicles for security and emergency situations.

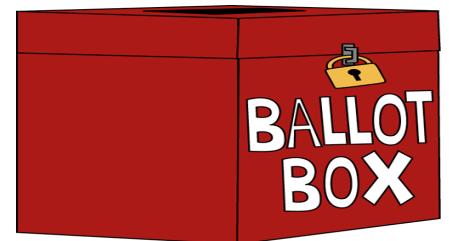

\*Another daunting challenge Solano County faced in 2020 was the August LNU Lightning Complex Fires. Sisters and brothers of our Department were immediately out there helping the community in this great time of need. I am honored to be amongst all of you.

\* We are in the final stages of changing our job title name at JDF of "Group Counselor " to "Juvenile Correctional Counselor ." This new name will paint a better picture of who we truly are.

\*No interest cards were submitted for SPPOA Board positions, so no SPPOA election will be held this year. John Pierce - Vice President, Gerardo Garcia Flores - Secretary, Gloria Garcia - Board of Director (JDF) will continue their duties. Thank you so much John, Gerardo, and Gloria for all the hard work you do for our Association.

\* We just signed an agreement with a California political & government law firm that will provide legal services for our newly created SPPOA Political Interest Committee. More to come on this topic.

\* CA SB 823 Juvenile Justice Realignment bill passed in the Assembly on 8-31-20. It is now on Governor Newsom's desk to sign. This will impact our JDF and Juvenile Division. Please regularly check our website, SPPOA.TODAY, as we will provide the most up-to-date information on that medium. -With best regards, Joe Martinez
